### THE VARSITY.

St. Joe 27; Monticello H. S. 4

Feb. 9. — It is certainly a great satisfaction to see the Varsity through superior team-work and basket shooting excelling a visiting team; but this is all the more the case, when they have suffered a defeat from that team. Such was the situation last Friday. Without any difficulty our quintette was putting the ball through the circle while Monticello kept the O. till four minutes before the timekeeper's whistle blew. when Jacks broke the spell landing two long distance shots. Reichert held the honors in basket shooting making five field goals, while McArdle and Deery each made four. Moran and Winter broke up Monticello's pass-work, keeping the ball near our basket practically all the time.

### Senior League.

Seniors 38    Commercials 33

Feb. — The Seniors shapened their ax for the III Commercials and after a very close and clean game succeeded in chopping out a victory. At the end of the first half the score was in a knot, 16, 16. The process of untying began by the Seniors, and they retained the lead till the last few minutes, when several baskets by the Commercials placed them in the lead. This put life into

them, as they scored enough points at the very end of the game to win. Petzold and Butler, each made nine baskets.

III. Latins 20; II. Latins 27.

Feb. 5. — At the hands of II. Latins the III. Latins after a hard fight were pushed out of the coveted first place. The III. Latins pranced around a little too confident at the start of the game, but soon were fretting about the lead their opponents had already made. They then put their best effort in the game in order to get the lead, but the II. Latins were unwilling to surrender, and with splendid passwork, accompanied by fine shooting brought victory into their camp.

II. Latins 41; II. Commercial 11.

Feb. 10. — The II. Latins in a listless game drove another spike in the pennant race. The Commercial after a few minutes play with the score a little discouraging, lacked that spirit so necessary to win. They surely cannot hope to excel the present leaders in the league with such indifference. The II. Latins are to be commended in general for their excellent playing.

III. Commercial 31; III. Latins 39.

Feb. 11. — In every spectators eye could easily be seen the question, "Who is to win?" Both teams marched out eager and confident of victory. Neither expected to be the victors by a wide margin, as they knew they would be put to the severest test. Many times the score was a tie, then only by a good spurt would the spell be broken. Towards the close the Latins managed to gain the lead and never were really in danger after that. It was one of the best and most exciting games of the season. Kihm and Birkmeier made some classy shots.

Cardinals 35; Imperials 39.

Only after an exciting and hard fought game did the Imperials succeed in breaking the Cardinals thousand percent. The Imperials played hard and fast from the start and obtained the lead that their opponents could not overcome. The Cardinals put up a good fight to keep their record clean.

Blue-Bells. 17; Laurels. 0.

Feb. 9. — In the first game of the season in which one side did not make a point the Blue-Bells defeated the Laurels. The Laurels had two men out of the game which weakened their team. Stockhausen and Deutch by their close guarding gave their opponents few chances to score.

St. Joe Jr. 31; Rensselaer Jr. 11.

On Sunday afternoon a team of Rensselaer Juniors tried their luck against St. Joe's Junior Stars but defeat was all they could claim. The College boys were at their best, Schmidt making eight field baskets. The city chaps played hard but their passwork was not up to that of the opposing team.

Imperials 32; Cardinals 21.

Feb. 12. — Spirit was high when the two opposing teams came out upon the floor to decide who was to hold first place for the present time. Both sides went into the struggle for all they were worth and at no time did either side show a sign of yielding except through absolute necessity. Schmidt seemed to be at his best, putting the ball through the circle seven times for the Imperials. The race in the Junior league is still a very close one and many hard fought battles are yet to take place before it will be known to whom the final glory will fall.

## EDITORIALS.

### Our Young Leaders.

At the opening of the Senior League it was the consensus of opinion that the race was between the Seniors and Freshmen with the III. Commercial as possible rivals. One month has now passed and how changed is the complexion of affairs. The II. Latins, in political phraseology a dark horse, have advanced to the front and are having everything their way. But what is the cause? Is it owing to the fact that the other teams are weaker? No, the answer is to be found in the words of the great genius "security is mortals' chiefest enemy" which applies to basket ball as well as to the affairs of daily life. These young lads by constant practice and sincere personal effort have reached a point of proficiency which the other thought-to-be stronger teams, trusting to the supposed ability of a few stars, are going to have a time to equal. Captains of the Senior League, get to work, put your men into good condition, in other words, arouse such vim into them that each member plays his position to advantage, not for the sake of his own personal brilliancy, but with the ever-well-directed view of bringing out the most consistent teamwork of the quintette; then if defeat is yours, you can justly attribute it to the greater skill of your opponents and not to any lethargy on the part of your team.
